Hwy 51/39 north of
Stevens Point, take the first
exit (Casimir) turn east. Turn on
North Second Drive, Drive
North to the warehouse on the left.

Packing

Use paper copy boxes with lids if possible, smaller than 2 feet. Use the brown label as usual but clearly mark the box baking equipment. If you know the setup in the warehouse put a green office label on the box as well so some center that does only sewing and crafts won't get the box

Call the office to arrange a delivery time. (715-346-4702)
