

Hats Off to HCE

Hats off to 70 years of our organization! Hats off to caring to make a difference through Wisconsin Bookworms™, Pennies for Friendship, programs to help communities, Stitches of Love, Services of Love, scholarships, donations to world help organizations, etc., etc., etc.

We're celebrating! Hats are celebratory and special – not something we usually wear. So, if you want to – wear a hat – big, little, funny, reflecting your personality, antique, international, sports, garden, or any other kind of hat.

We'll wear hats at the Tuesday night dinner as we begin this celebratory conference and aging at the Wednesday noon luncheon for the official 70th Anniversary Celebration. You can wear hats at any time during the conference – the same hat or as many hats as you want to bring to Eau Claire. Hats off calls attention to our accomplishments (our teaching, learning, projects, activities) and connotes something special (70 years of existence). **Wearing hats will be something special and fun.** Not mandatory. No one has to wear a hat – only if you want to. No contests, no prizes, just wear 'em!
